SUMMER INTERNSHIP

Summer Intern candidates should prepare for a great summer, one that allows for real work with a fun and driven staff! Interns in our competitive program will be tasked with taking the lead on projects, working with and without extensive supervision and joining existing staff on a diverse range of projects/programs. Interns will be challenged to think creatively, work with a passion, have attention to detail and diligence while contribute to our organization's culture and mission's growth. Working both independently and as a group, interns will be exposed to a wide variety of projects. All participants will have the opportunity to shadow our Executive Director, as well as other staff and leadership, to see our program(s) in action and be part of the impact. With so many chances to contribute to our team and mission, joining us will allow participants to make a lasting contribution throughout our special organization.

QUALIFICATIONS

- A highly intelligent and motivated individual with a passion for our mission and vision
- Strong leadership experience and skills
- Outstanding written and verbal communication skills
- Must be flexible, coachable, resourceful and function well in our fast-paced, collaborative team environment
- Disciplined organizational skills with the ability to pay attention to all details
- Must be a self-starter, comfortable in working both independently as well as working together as a team

TO APPLY

Please e-mail a resume and thoughtful cover letter, outlining how your skills and experience meet our qualifications, how and where you heard about this opportunity and describing the ways our mission speaks to you. Send along in Word or PDF format to admin@theizzyfoundation.org
