

The Izzy Foundation Marketing Internship

The Izzy Foundation is currently in search of Marketing Intern to work directly with our Executive Director. This is an unpaid internship with the opportunity to earn college course credits.

The internship entails the following responsibilities:

- Assist with preparing all marketing materials
- Utilize social media and other avenues to increase client capacity and referral sources
- Assist with managing website and all other marketing tools that the center utilizes
- Assist with the organization of marketing events, trainings, and internal/external events
- Maintain a system for marketing contacts
- Bring new and innovative ways to increase marketing avenues to targeted community supports and clients
